### THE VIBRATION WILL SHIFT THE EARTH

“OM” is the original sound of Creation, which is the highest and purest vibration in the universe. OM Chanting(OMC) is free group healing that uses the transformational power of OM to activate self-healing potential and to purify this planet.

OMC helps all lives and the earth;

- Transform negativity into positive energy
- Support our emotional, mental and physical state
- Cultivate love, joy and peace more and more in the world
- Purify our local environment within 2 km from the spot of OMC
- Give healing to people you intend to heal

This ancient wisdom was forgotten for long centuries, but it was reintroduced by the Spiritual Masters, Paramahansa Vishwananda and Mahavatar Babaji to support the Earth and humankind for this period of need.

Now it is high time to do this simple and powerful way together.  
1200 people are required to do OMC to shift JAPAN fundamentally.  
This is the number of “Square Root of 1% population” of JAPAN.

How many people do you need for fundamental shift in your country?  
If you feel the Earth as ONE COUNTRY, will you do OMC at the same time on the same day?

We need 9000 people for this ONE COUNTRY, Mother Earth.  
Let's do global OMC together on the days in 2019!
